Managing Your Energy!
You are not a victim of your sensitivity. Used right, it will give you an unfair advantage over others.

- Care how you feel
- Practice alignment first and action second
- Be tuned in to your clear energy
- Be a resonator instead of being resonated
- Watch out for sloppy thinking

## How:

- Be Heart-Centered in your business
- Align with your heart/soul BEFORE taking action
- Have excellent Boundaries
- Manage your energy, so it doesn't manage you
- Practice non-attachment
- Be aligned with your purpose
- Use your Superpowers first and foremost!
