

The Power of Commitment

Where are you bumping up against your limits?

What illusions have you recently had shattered?

What truths have you had confirmed?

What ideas in your business have you been avoiding or procrastinating taking action on?

Where in your business have you been feeling the pressure of time?

What have you been feeling responsible for that may not be your responsibility?

What in your business have you not been taking 100% responsibility for?

What have you committed to that is out of alignment for you?

What have you not committed to that it's time to commit to?

Which of Saturn's Archetypes do you need to activate?
